# Zi-BOX DUO

The Zi-Box Duo double curtain system features **Easy Zip guides on which the blackout fabric slides**, optimizing the **lateral light blocking** and allowing installation on misaligned walls thanks to its **telescopic function**. Available with motorized or chain operation with effort reduction system.

## DIMENSIONS

Max. width: 300 cm  
Max. height: 300 cm

## COLORS

## INNER CONCEALMENT

The Easy Zip guiding ensures that the fabric does not come out of the guides, and combined with a Blackout fabric it achieves maximum opacity.

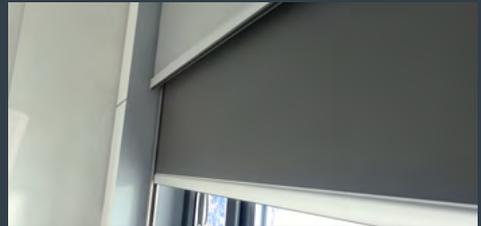

## MORE CONVENIENT MAINTENANCE

Self-supporting and inspectable box that allows maintenance tasks without the need for disassembly.

## DIFFERENT CONFIGURATIONS

The B-Box Zip Duo is also available with insect-screen fabric or with Airpure technology capable of purifying the air and eliminating odors.

## QUIETER OPERATION

Thanks to the patented multimaterial technology drive wheel by Bandalux, noise and motor vibrations are reduced.
